

Halo Fresnel 100W

Product Code: SG HALOFWWM

Theater projector Fresnel COB 100W

Description

HALO LED MINI as well as HALO LED is the result of a Sagitter project, which can replace the most common incandescent theatre projectors with a product boasting low power consumption and the same lighting efficiency as the most common incandescent sources. The combination of a cutting edge power supply system and a next generation 3200K white COB LED source, makes the projector suitable for stages of any size. The optics equipment features the ability to manually modify the projection angle with a high precision zoom system.
