

Halo Profile 200W

Product Code: SG HALOPWW1528

Profile projector zoom 15°/28° COB led 200W

Description

Halo profile led zoom is the result of a Sagitter project which can replace the most common incandescent profile projectors with a product featuring low consumption and the same luminous efficiency of the most common incandescent. The combination of a cutting edge power supply and a next generation 3200K white COB LED source, makes the projector suitable for stage of any size. This new profile projector is equipped with a variable zoom system able to modify its projection angle from 15° to 28°.
